RE: Council Bill 15-0543

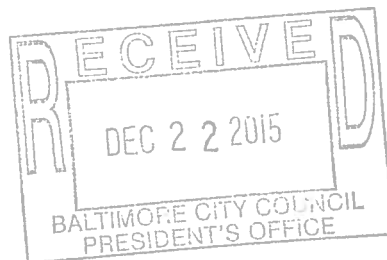

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 15-0543 introduced by Councilmember Mosby at the request of Whitehall Mill, LLC.

The purpose of this bill is to approve the certain amendments to the Development Plan of the Whitehall Cotton Mill PUD.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation, as well as the Proposed Conditions Plan. The amendment of the PUD will more accurately reflect the floor area in the Proposed Conditions Plan that was approved at Site Plan Review in September 2013 and used to calculate parking requirements and peak demand.

Based on the comments above, the Parking Authority of Baltimore City supports the passage of City Council Bill 15-0543.
