

MEMORANDUM

TO: Honorable President and Members of the City Council
Attention: Karen Randle, Executive Secretary

FROM: Brenda McKenzie, President and CEO *Brc*

DATE: November 13, 2013

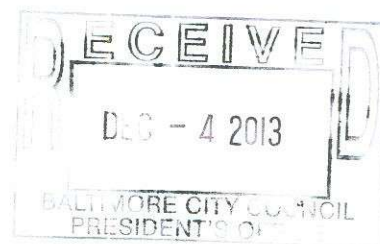

SUBJECT: City Council Bill No. 13-0290
City Streets – Closing of Air Rights Over a Portion of Linden Avenue
(Ward 11, Section 9, Block 501)

The Baltimore Development Corporation (BDC) has been asked to comment on City Council Bill No. 13-0290, *Closing of Air Rights Over a Portion of Linden Avenue*.

The BDC supports this Bill which calls for closing Air Rights over a portion of the 800 block of Linden Avenue. The closing of air rights will allow the University of Maryland Medical System to construct an adequate sized Ambulatory Care Center on a restricted property at their mid-town campus and provide expanded medical services. BDC respectfully requests that Bill No. 13-0290 is given favorable consideration by the City Council.
