**TO**  
**The Honorable President and Members of the City Council**  
**c/o Karen Randle, Room 400 City Hall**

**October 20, 2011**

I am herein reporting on City Council Bill 11-0691.

The purpose of this bill is for amending the Urban Renewal Plan for Broadway East to amend and clarify certain land uses, to correct, clarify, and conform certain language and references, and to correct and clarify certain provisions concerning nonconforming uses and noncomplying structures; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

The goal of this bill is to remove a legislative barrier to creating walkable neighborhoods and provide for the potential reuse of buildings. The bill proposes to amend the Urban Renewal Plan by deleting certain language that imposes certain restrictions on these non-conforming uses, including undefined language concerning "non-complying uses." The Department of Transportation (DOT) defers to the Planning Department on this bill.

Respectfully,
