Re: City Council Bill 20-0043 – Bond Issue – Economic Development Loan -  
\$15,800,000

Dear Madame President and City Council Members:

The Law Department has reviewed City Council Bill 12-0043 (Bond Issue – Economic Development Loan - \$15,800,000) for form and legal sufficiency. The bill would authorize the Mayor and City Council to create a debt not exceeding \$15,800,000 (the “Debt”) for purposes of implementing the City’s commercial and industrial economic development program, which includes the acquisition of property, development and redevelopment of property, and making loans and grants to various projects and programs related to improving the cultural life and promoting tourism in Baltimore City.

The intent of the bill is to ensure that the Debt is created as a general obligation of the City, pursuant to Section 7 of Article XI of the Constitution of Maryland. The bill also contains provisions concerning the use of the funds, the issuance of the bonds, and other matters. After approval by the Mayor and City Council, the ordinance will be presented to the voters for approval on November 6, 2012.

The Law Department approves Council Bill 12-0043 for form and legal sufficiency.

Sincerely,

*Elena R. DiPietro*
