EXHIBIT A

FORM OF PARTICIPATION AGREEMENT

DEPARTMENT OF TRANSPORTATION OF MARYLAND  
COUNTY TRANSPORTATION REVENUE BONDS  
SERIES 201\_

PARTICIPATION AGREEMENT

THIS PARTICIPATION AGREEMENT (this “Participation Agreement”) is made as of this \_\_\_ day of \_\_\_\_\_, 201\_ by and between the DEPARTMENT OF TRANSPORTATION OF MARYLAND (the “Department”) and the MAYOR AND CITY COUNCIL OF BALTIMORE (the “Participant”).

ARTICLE 1. INTRODUCTION

Subtitle 5 of Title 3 of the Transportation Article (the “Transportation Article”) of the Annotated Code of Maryland (as amended, the “Act”) authorizes the Department to issue County Transportation Revenue Bonds (“County Transportation Revenue Bonds”) to finance the share of the cost of certain Transportation Facilities (as defined in Section 3-101 of the Transportation Article) of participating counties (as defined in the Act), including the Participant. County Transportation Revenue Bonds issued under the Act are obligations of the participating counties and are not obligations of the State of Maryland (the “State”) or the Department.

The Department has prepared and distributed to the Participant and other subdivisions of the State information concerning participation in the proceeds of the County Transportation Revenue Bonds to be issued by the Department in fiscal year 2015. In response, the Participant submitted to the Department a request that the Department issue County Transportation Revenue Bonds to fund certain Transportation Facilities described in that request for which the Participant has responsibility. The Department has approved that request.

The Participant will be the only participant in the proceeds of the Bonds (as defined below).

As required by Section 3-517 of the Act, the Department and the Participant have entered into this Participation Agreement to describe the source and nature of the revenues the Participant will pledge to repay the Bonds [(as defined below)] and fees as described in Section 5 herein, and to set forth the other relevant terms and conditions of the Bond issue. As required with respect to the Bonds, the Participant has duly adopted a resolution authorizing the execution and delivery of this Participation Agreement and has complied fully with the provisions of the Act, including, without limitation, Section 3-516 of the Act.

The Department proposes to issue and sell its Department of Transportation of Maryland County Transportation Revenue Bonds, Series 201\_ , (the “Bonds”), in an aggregate principal amount not to exceed \$ \_\_\_\_\_, which will be sufficient, together with any other funds available therefor, for the purpose of paying (1) the Participant’s share of the cost of the Transportation Facilities, (2) the cost of the issuance of the Bonds, and (3) the Participant’s share of the Department’s cost of administering the program established under the Act to the extent that such costs are attributable to the issuance of the Bonds. The Bonds will be issued pursuant to the Act.

**Council Bill 14-0383**

ARTICLE II. AGREEMENTS

In consideration of the premises and in accordance with applicable law, the parties hereto agree as follows:

Section 1. The Bonds. The Department expects to sell the Bonds, subject to the terms and conditions in this Section 1, during the fiscal year beginning July 1, 2014. The Bonds shall be dated as of a date to be determined by the Department, shall bear interest payable semi-annually accruing from the date of the Bonds, shall mature not later than fifteen (15) years after the date of their issue, shall bear interest at the rate or rates agreed upon by the purchasers of (or, in the case of a public sale, designated by the successful bidder for) the Bonds and accepted by the Secretary of the Department, and may be subject to prior redemption by the Department in the circumstances and at prices specified by it prior to the issuance thereof and subject to the provisions of this Participation Agreement.

The obligation of the Department to issue any of the Bonds is subject to its absolute discretion to determine when and under what conditions the Bonds shall be issued and the form and contents thereof and of any official statement issued with respect thereto. The Department may, in its absolute discretion, determine not to sell and issue the Bonds.

Section 2. Use of Proceeds. In the event that the Bonds are issued, then promptly after settlement therefor and delivery thereof, the Department will cause the proceeds to be applied as follows:

- (a) There shall first be deducted from the proceeds and paid to the Department an amount to pay or reimburse the Department for: (1) all expenses incurred by the Department in connection with effecting the issuance of the Bonds, including, but not limited to, expenses of printing, advertising, delivery, and financial, administrative and legal fees; and (2) the Department's costs of administering the program established under the Act to the extent that such costs are attributable to the issuance of the Bonds.
- (b) Any premium received on the Bonds as a result of the sale may be used by the Participant to: (i) offset debt service, (ii) reduce par value, or (iii) pay the cost of the Transportation Facilities.
- (c) The balance of the proceeds shall be used by the Department to pay the Participant's share of the costs of the Transportation Facilities. The Department shall retain the Participant's share of the net proceeds of the Bonds and remit to the Director of Finance or other designated fiscal officer of the Participant (the "Fiscal Officer") amounts in reimbursement for payments made by the Participant to contractors or other third parties for the Transportation Facilities approved by the Department. (See Exhibit A Requisition Form.) The Department expects to remit payment to the Participant within thirty (30) days after the Department has received a reimbursement request, together with written verification satisfactory to the Department that the Participant has paid the contractor or other third party for the work related to the Transportation Facilities financed with the proceeds of the Bonds. The Department may require an audit, at the Participant's expense, of the Participant's records to verify the expenditures of funds for which reimbursement is requested, the expenditure of Bond proceeds, and the costs of the Transportation Facilities which are financed or reimbursed in whole or in part from proceeds of the Bonds.

**Council Bill 14-0383**

1 Section 3. Reimbursement Schedule. To enable the Department to comply with provisions  
2 in the Internal Revenue Code of 1986, as amended (the “Code”), restricting the investment of the  
3 proceeds of the Bonds, the Participant shall, on or before the date of sale of the Bonds, provide  
4 the Department with a projected schedule of reimbursement requests in a form satisfactory to the  
5 Department. The term and nature of the investment of the proceeds of the Bonds will be based  
6 on the reimbursement schedules so submitted.

7 Section 4. Payment of Bonds is Obligation of the Participant. The Participant acknowledges  
8 and agrees that the payment of the Bonds is solely and exclusively the obligation of the  
9 Participant. Neither the State nor the Department is obligated to pay the principal of or interest  
10 on the Bonds. Neither the faith and credit nor the taxing power of the State or the Department is  
11 pledged to the payment of the principal of or the interest on the Bonds.

12 Section 5. Payment of the Bonds and Pledge of Highway User Revenues. The Participant  
13 hereby covenants and agrees that it will pay the debt service due and payable on the Bonds so  
14 long as the Bonds are outstanding. Specifically, the Participant hereby pledges its share of  
15 Highway User Revenues under and as defined in Subtitle 4 of Title 8 of the Transportation  
16 Article to the payment of the Bonds. The Participant further authorizes the Comptroller of the  
17 State (the “Comptroller”) and the Treasurer of the State (the “Treasurer”) to withhold the  
18 Participant’s share of Highway User Revenues and to pay the amount of such moneys necessary  
19 to pay debt service on the Bonds and, to the extent permitted by applicable law, any  
20 administrative cost of the Department attributable to the Bonds, to any trustee or other person  
21 designated for that purpose by the Department with respect to the Bonds as described in this  
22 Participation Agreement.

23 In the event that the Participant’s share of Highway User Revenues is inadequate to provide  
24 for the payment of any installment of debt service due on the Bonds to any trustee or other person  
25 designated for that purpose by the Department or any administrative cost of the Department  
26 attributable to the Bonds at any time, the Participant hereby covenants and agrees that it will  
27 request the Baltimore City Council to adopt a budget amendment authorizing payment of the  
28 amount due from any funds of the Participant lawfully available for such purpose.

29 The Participant hereby acknowledges and agrees that the Department may pledge or assign  
30 all or a portion of the Department’s rights under this Participation Agreement to guarantee  
31 repayment of the Bonds.

32 NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF PARTICIPANT  
33 IS PLEDGED TO THE PARTICIPANT’S PAYMENT OBLIGATIONS UNDER THIS  
34 PARTICIPATION AGREEMENT.

35 Section 6. Sinking Fund. To provide for the payment of the Bonds, the Department may  
36 establish a separate account designated “County Transportation Revenue Bonds, Series 201  
37 Sinking Fund,” or other appropriate designation (the “Sinking Fund”), to which will be credited  
38 any accrued interest received upon settlement for the Bonds. In the Department’s discretion, the  
39 Sinking Fund may be held and maintained by the Comptroller or by a trustee or other person  
40 designated by the Department. Pursuant to the Participant’s authorization granted under this  
41 Participation Agreement, the Department will cause the Comptroller to credit and transfer to the  
42 Sinking Fund the amounts withheld by such official from distribution to the Participant as  
43 provided below.

## Council Bill 14-0383

1 The Comptroller shall withhold, during each fiscal year, from Highway User Revenues  
2 allocated to, or held for the credit of, the Participant under Subtitle 4 of Title 8 of the  
3 Transportation Article, as amended and supplemented, an amount which is at least equal to the  
4 Participant's debt service payable on the Bonds in the current fiscal year and in the next  
5 succeeding fiscal year (the "Participant's Debt Service Requirement"). All funds so allocated to,  
6 or held for the credit of, the Participant shall be so withheld until an amount that is at least equal  
7 to the Participant's Debt Service Requirement shall have been accumulated. In each fiscal year  
8 (or in the discretion of the Department, the six-month period immediately preceding the  
9 beginning thereof), the Comptroller shall withhold from the funds allocated to, or held for the  
10 credit of, the Participant, the amount necessary to maintain in the Sinking Fund an amount which  
11 is at least equal to the Participant's Debt Service Requirement. The Participant's share of interest  
12 and gain, if any, realized on investments in the Sinking Fund (unless required to be rebated to the  
13 United States of America) shall be credited to the Participant's Debt Service Requirement.

14 All payments on account of debt service payable on the Bonds by the Department shall be  
15 made from the Sinking Fund. The Department or its designee shall keep accurate records of the  
16 total deposits and disbursements credited and charged to the Sinking Fund and of the deposits  
17 and disbursements made on behalf of the Participant.

18 In the event deposits to the Sinking Fund shall be continuously made as herein provided, the  
19 authority to withhold hereby conferred on the Comptroller shall terminate not later than the end  
20 of the fiscal year next preceding the fiscal year of the final maturity of the Bonds.

21 The Department shall have the right from time to time, in its discretion, to invest any and all  
22 monies credited to the Sinking Fund in accordance with applicable State law. Any profit realized  
23 from such investment shall be credited to the Sinking Fund and any loss resulting from such  
24 investment shall be charged to the Sinking Fund. Neither the Department nor the State shall be  
25 responsible for any loss that may occur as a result of such investments directed to be made in  
26 accordance with applicable provisions of law and the Trust Indenture, dated as of November 1,  
27 1993, as amended and supplemented, pursuant to which the Bonds are issued (the "Trust  
28 Indenture").

29 The Participant shall be entitled to reimbursement of any balance remaining in the Sinking  
30 Fund (after payment of all costs and fees in connection therewith), after all of the Bonds shall  
31 have matured and been paid, or provision acceptable to the Department has been made for such  
32 payment.

33 In the event the Participant shall elect to pay debt service in amounts equal to the  
34 Participant's Debt Service Requirement, as set forth above, from the proceeds of taxes to be  
35 levied by it directly or other revenues, the Participant shall notify the Department and the  
36 Comptroller, in writing, not later than the first day of January in the calendar year in which the  
37 Participant proposes to make such payments and, upon receipt of such notice, the Comptroller  
38 shall not withhold in accordance with this Section 6 any of the Highway User Revenues allocated  
39 to, or held for the credit of, the Participant after the first day of July in such year, unless and until  
40 the Comptroller shall receive further written notice from the Participant so to withhold, or unless  
41 and until the Comptroller shall receive written notice from the Department that the Participant  
42 has failed to make the necessary deposit into the Sinking Fund, at the times and in the amounts  
43 necessary to maintain it.

## Council Bill 14-0383

1 Section 7. Termination and Redemption. The Participant may prepay and terminate its  
2 obligations under this Participation Agreement upon at least thirty (30) days' written notice to the  
3 Department (or such fewer number of days as shall be acceptable to the Department) and  
4 payment to the Department of the prepayment price set forth below, together with an amount to  
5 reimburse the Department for [the Participant's allocable share of] any costs or expenses it incurs  
6 in connection with such prepayment (including, without limitation, any fees of bond counsel,  
7 financial advisor, verification agent, escrow agent, or other advisor to the Department).

8 The prepayment price shall be an amount determined by the Department to be equal to: (A)  
9 the sum of (i) the Participant's principal amount of the Bonds, (ii) interest accrued and to accrue  
10 on such principal amount until the date on which Bonds in an amount equal to the Participant's  
11 principal amount of the Bonds are redeemed or retired, calculated at the rate or rates of interest  
12 borne by such Bonds, (iii) redemption premiums, if any, payable upon the redemption of the  
13 Bonds, (iv) [the Participant's allocable share of] all fees, costs and expenses incurred by the  
14 Department or to be incurred by the Department related to the prepayment of the Bonds, and (v)  
15 [the Participant's allocable share of] any amounts to be rebated to the United States of America  
16 (the "United States") in connection with interest earned on the Bonds, less (B) [the Participant's  
17 allocable share of] the amount accumulated and available in the Sinking Fund.

18 The prepayment price shall be deemed to be paid within the meaning of this Section upon  
19 deposit with the Department of (1) cash or cash equivalents sufficient to cover such prepayment  
20 price without investment and/or (2) government obligations identified in Section 6-222 of the  
21 State Finance and Procurement Article of the Annotated Code of Maryland, as amended and  
22 supplemented, maturing as to principal and interest on such dates and in such amounts as shall be  
23 sufficient without reinvestment to pay the principal amount of the Bonds to be redeemed or  
24 retired, together with the interest accrued and to accrue on such Bonds to the date of such  
25 redemption or retirement and any redemption premiums payable upon the redemption of such  
26 Bonds, and the satisfaction of the provisions for defeasance under the Trust Indenture.

27 Prior to any defeasance by the Participant becoming effective under this Section, there shall  
28 have been delivered to the Department an opinion, certification or verification report from a  
29 nationally recognized firm reasonably acceptable to the Department stating that any deposit of  
30 cash and/or of Government Obligations made pursuant to this Section is sufficient to defease the  
31 Participant's portion of the Bonds in accordance with the terms hereof.

32 Prepayments shall be applied to the redemption of a proportionate share of each maturity of  
33 the Bonds on the earliest practicable redemption date following receipt by the Department of the  
34 prepayment price.

35 The Participant may cause a portion of the Bonds to be prepaid and defeased by complying  
36 with this Section 7 with respect to such portion to be prepaid.

37 Section 8. Other Covenants and Representations by the Participant. The Participant further  
38 covenants and represents as follows:

- 39 (a) subject to the provisions of Section 9 of this Participation Agreement, there are no  
40 liens upon, or pledges of, the Participant's share of Highway User Revenues allocated  
41 to, or held for the credit of, the Participant under Subtitle 4 of Title 8 of the  
42 Transportation Article, as amended and supplemented, prior or superior to the

## Council Bill 14-0383

1 withholding for the purposes of this Participation Agreement, which impair or  
2 interfere with the withholdings;

3 (b) the Participant will not pledge any such revenues nor create or permit the creation of  
4 any liens thereon prior, superior, or equal to the commitments made by it hereunder,  
5 subject to the provisions of Section 9 of this Participation Agreement, and will not do  
6 or suffer to be done any act or thing which will impair or interfere with the security of  
7 the Bonds or which will impair or interfere with its ability or the ability of the  
8 Department, the Comptroller and the Treasurer, or any trustee to perform in  
9 accordance with this Participation Agreement and the Trust Indenture;

10 (c) the Participant has complied fully with the Act, including, without limitation, the  
11 requirements of Section 3-516 of the Act;

12 (d) the Participant will comply fully with Subtitle 4 of Title 8 of the Transportation  
13 Article, as amended and supplemented, including (i) the requirement that the  
14 Participant certify to the State Highway Administration that it will use Highway User  
15 Revenues in compliance with all applicable laws and (ii) the requirement codified in  
16 Section 8-412 of the Transportation Article, as amended and supplemented, that on or  
17 before January 1 of each year, the Participant shall give to the Governor of the State  
18 and the State Highway Administration an accounting report that: (1) shows the actual  
19 costs of the preceding fiscal year, (2) shows the expenditure budget of the current  
20 fiscal year, and (3) as to each of (1) and (2), accurately identifies the costs enumerated  
21 in Section 8-408(a) of the Transportation Article, as amended and supplemented;

22 (e) by the issuance of the Bonds by the Department, no debt limit or referendum  
23 requirements will be exceeded or violated and the Participant's involvement in such  
24 bond issue will not require approval by its qualified voters; and

25 (f) the Participant is not in breach of any provision of any other participation agreements  
26 that it may have entered into with the Department and has not taken any action or  
27 omitted to take any action that with the passage of time would cause such a breach.

### 28 Section 9. Pledge of Net Highway User Revenues for Other Borrowings of Participant.

29 (a) It is expressly understood by both parties to this Participation Agreement that the  
30 covenants and representations made by the Participant herein with respect to pledges  
31 of Highway User Revenues shall not preclude the Participant from having made or  
32 making short-term borrowings through the issuance of Highway User Revenue  
33 anticipation notes, or any other debt issuance, the payment of which is secured by the  
34 net amount of Highway User Revenues distributed to the Participant after withholding  
35 by the Department and the Comptroller of the annual Participant's Debt Service  
36 Requirement and the Participant's obligations under any other participation  
37 agreements with the Department relating to County Transportation Bonds issued  
38 pursuant to Section 3-301 through 3-310, inclusive ("Subtitle 3"), of the  
39 Transportation Article (the "County Transportation Bonds") or County Transportation  
40 Revenue Bonds.

## Council Bill 14-0383

1 (b) It is also expressly understood by both parties to this Participation Agreement that the  
2 covenants and representations made by the Participant herein with respect to pledges  
3 of Highway User Revenues shall not preclude the Participant from having made a  
4 pledge of such Highway User Revenues in connection with the issuance of its  
5 Stormwater Special Revenue Bond (West Branch Moores Run Stormwater Project),  
6 Series 2004 (issued in the original amount of \$6,881,961 to the Maryland Water  
7 Quality Financing Administration) (the “2004 Stormwater Bond”), or any other debt  
8 issuance, the payment of which is (i) secured by the net amount of Highway User  
9 Revenues distributed to the Participant after withholding by the Department and the  
10 Comptroller of the annual Participant’s Debt Service Requirement and the  
11 Participant’s obligations under any other participation agreements with the  
12 Department relating to County Transportation Bonds or County Transportation  
13 Revenue Bonds or (ii) subject to annual appropriation by the Participant.

14 Section 10. Agreements for Benefit of Bondholders; Bonds Are Parity Bonds. It is hereby  
15 agreed that the provisions of this Participation Agreement shall and are intended to be for the  
16 benefit and security of the bona fide holders from time to time of the Bonds and that the  
17 covenants therein and herein contained shall be enforceable by such holders or a trustee acting on  
18 behalf of such holders to the same extent as though they were parties to this Participation  
19 Agreement. The Participant’s allocation of Highway User Revenues will be applied  
20 proportionately to pay debt service on the Bonds, on all series of County Transportation Bonds  
21 and County Transportation Revenue Bonds issued under Subtitle 3 of Title 3 of the  
22 Transportation Article and the Act, respectively, in which the Participant participated or will  
23 participate in the future, and the 2004 Stormwater Bond (to the extent so provided in the loan  
24 agreement entered into by the Participant and the Maryland Water Quality Financing  
25 Administration in connection with the issuance of the 2004 Stormwater Bond).

26 Section 11. Validity. It is hereby agreed that the parties hereto will take all action within  
27 their respective delegated powers to assure the legal validity of this Participation Agreement and  
28 of the Bonds and that, in the event further legislation by the General Assembly of Maryland  
29 should at any time be deemed necessary to assure such validity, they will use their best efforts to  
30 obtain the passage of such legislation.

31 Section 12. Approval. This Participation Agreement shall become effective when duly  
32 authorized and executed by both parties hereto.

33 Section 13. Rebate Fund. The Department may cause to be created on the books of the  
34 Treasurer’s Office a Rebate Fund, the complete designation of which shall be “Department of  
35 Transportation of Maryland County Transportation Revenue Bonds, Series 201\_ Rebate Fund” or  
36 such other designation as may be made by the Secretary of Transportation. The Rebate Fund  
37 shall be held by the Treasurer or a trustee or other person designated for that purpose by the  
38 Department. To the extent that the Department determines, upon the advice of bond counsel, that  
39 it is necessary or desirable in order to assure and maintain the exemption from federal income  
40 taxation of interest on the Bonds that certain interest earnings on amounts held in connection  
41 with the issuance of the Bonds be rebated to the United States, the Treasurer (or other holder of  
42 the Rebate Fund) shall, upon the written direction of an authorized officer of the Department,  
43 transfer from any fund or account created in connection with the Bonds to the Rebate Fund the  
44 amount specified in such written direction, which amount shall be determined in consultation  
45 with bond counsel. Such funds, while held in the Rebate Fund, shall not be available to pay debt  
46 service on the Bonds or to pay the costs of Transportation Facilities.

## Council Bill 14-0383

1 Amounts on deposit in the Rebate Fund from time to time required to be rebated to the  
2 United States shall be applied by the Treasurer (or other holder of the Rebate Fund) to the  
3 payment of such rebates and shall not be charged with the payment of principal or interest on the  
4 Bonds. If the Department determines, upon the advice of bond counsel, that any amounts on  
5 deposit in the Rebate Fund are not required for the payment of such rebates, the Treasurer (or  
6 other holder of the Rebate Fund) may pay over or transfer such amount (as the case may be) to  
7 the Sinking Fund or otherwise as the Department directs.

8 Section 14. Ordinance or Resolution. The execution of this Participation Agreement has  
9 been duly authorized by an ordinance or resolution, which has been duly adopted by the  
10 Participant and is in full force and effect.

11 Section 15. Relating to Federal Tax. The Participant covenants that it shall comply with the  
12 provisions of the Code including, without limitation, compliance with the provisions regarding  
13 the timing of the expenditure of the proceeds of the Bonds, the use of such proceeds, the  
14 restriction of investment yields, the filing of information with the Internal Revenue Service, the  
15 use and control of the Transportation Facilities financed with the proceeds of the Bonds and the  
16 rebate of certain earnings resulting from the investment of the proceeds of the Bonds. The  
17 Participant further covenants that it shall make such use of its share of the proceeds of the Bonds,  
18 regulate the investment of such proceeds, and take, or refrain from taking, such other and further  
19 actions as may be required of it by the Department from time to time, to the extent deemed  
20 necessary or appropriate by bond counsel to the Department, so as to maintain the exemption  
21 from Federal income taxation of interest on the Bonds.

22 Section 16. Relating to Arbitrage, Private Activity Bond, and Reimbursement Restrictions.

23 (a) As of the date hereof, the Participant reasonably expects the following with respect to  
24 the proceeds from sale of the Participant's share of the issue including costs of  
25 issuance ("sale proceeds"):

- 26 1. within six (6) months after the date of issue of the Bonds, the Participant will  
27 incur binding obligations to expend, with respect to the Transportation Facilities  
28 to be financed with the proceeds of the Bonds, an amount at least equal to five  
29 percent (5%) of the sale proceeds of the Bonds;
- 30 2. after incurring the binding obligation described in this Section, completion of the  
31 Transportation Facilities and expenditure of the sales proceeds of the Bonds will  
32 proceed with due diligence;
- 33 3. at least eighty-five percent (85%) of the sale proceeds of the Bonds will be  
34 expended on the Transportation Facilities within three (3) years after the date of  
35 issue of the Bonds; and
- 36 4. none of the Transportation Facilities financed with the proceeds of the Bonds will  
37 be sold or otherwise disposed of, in whole or in part, prior to the last maturity of  
38 the Bonds.

39 (b) Not more than five percent (5%) of the Participant's share of the sale proceeds of the  
40 Bonds will be used directly or indirectly to make or finance loans.

## Council Bill 14-0383

- 1 (c) On the basis of the reasonable expectations of the Participant, the proceeds of the

3 to be either “arbitrage bonds” under Section 148 of the Code and the Arbitrage  
4 Regulations or “Private Activity Bonds” under Section 141 of the Code. To the best  
5 of the knowledge and belief of the undersigned, there are no other facts, estimates or  
6 circumstances, which would materially change the foregoing conclusion.
- 7 (d) For purposes of this Section 16, the term “Arbitrage Regulations” means Treasury  
8 Regulations §§ 1.148-1 through 1.148-10.
- 9 (e) The Participant shall comply fully with Treasury Regulation § 1.150-2, concerning the  
10 use of Bond proceeds for reimbursement of prior expenditures.
- 11 (f) Prior to delivery of the Bonds, the Participant agrees to execute and deliver to the  
12 Department a certificate or other documentation satisfactory to the Department  
13 confirming the matters contained in this Section 16.

14 Section 17. Fiscal Officer of Participant. The Participant represents that it will designate the  
15 Fiscal Officer that is authorized by law to receive and hold custody of all monies due and payable  
16 to the Participant under this Participation Agreement and to certify as provided in Sections 8 (d)  
17 and 16 hereof. Any payments hereunder shall be deemed to have been made to the Participant if  
18 made to the designated Fiscal Officer.

### 19 Section 18. Rules of Construction.

- 20 (a) Unless otherwise specified, the words “hereof”, “herein”, “hereunder”, “hereto”,  
21 “thereof”, “therein”, “thereunder”, “thereto” and other words of similar import, when  
22 used in this Participation Agreement, refer to this Participation Agreement, and when  
23 used in each of the other documents, refer to each of the other documents in their  
24 entireties.
- 25 (b) The terms “agree” and “agreements” are intended to include and mean “covenant”  
26 and “covenants.”
- 27 (c) The headings of the Articles, Sections and other subsections of each document are  
28 provided only for convenience of reference and shall not be considered in any way in  
29 construing the contents of any of the documents or any part thereof.
- 30 (d) All references made in the neuter, masculine or feminine gender shall be deemed to  
31 have been made in all such genders; and in the singular or plural number shall be  
32 deemed to have been made, respectively, in the plural or singular number as well.

34 pursuant to this Participation Agreement shall be sent by telex, email or other telecommunication
