The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 – City Hall

I am herein reporting on City Council Bill 14-0357 introduced by the Council President on behalf of the Administration (Department of Housing and Community Development).

The purpose of the Bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain property known as 1220 East Oliver Street (Block 1123 Lot 017) and no longer needed for public use.

The subject property is located at the southwest corner of Harford Avenue and East Oliver Street. It is a wedge-shaped property that is improved with a former fire station closed in 2000 and subsequently surplussed to the Department of Housing and Community Development. Our records show no City-owned utilities within the property.

Based on these findings, the Department of Public Works supports passage of City Council Bill 14-0357 as sale of the property would allow for productive reuse of the facility.

Sincerely,

Rudolph S. Chow, P.E.
Director
