RE: Council Bill 10 - 0443

I am herein amending the Parking Authority of Baltimore City (PABC) comment letter, dated April 6, 2010, in response to City Council Bill 10 - 0443 introduced by Councilmember William H. Cole, IV.

The purpose of the Bill 10 - 0443 is to amend the Urban Renewal Plan for Penn-North Transit Station to allow the unenclosed display of certain merchandise in a certain land use classification in the Penn- North Transit Station Urban Renewal Area, subject to certain conditions; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

The PABC reviewed the Urban Renewal Plan for Penn-North Transit Station, obtained additional information, and determined that there would be no negative impact to the parking in the Penn-North Transit Station area as a direct result of this amendment.

Based on the above comments the Parking Authority supports the passage of City Council Bill 10 - 0443.
