RE: City Council Bill 13-0217

I am herein reporting on City Council Bill 13-0217 introduced by Council President Bernard Jack Young at the request of the Department of General Services.

The purpose of this bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale all its interest in a certain parcel of land known as the former bed of Howil Terrace, laid out contiguous to the north outline of the property known as 5928 York Road and extending Westerly 138 feet more or less, to the east side of a 10-foot wide alley laid out in the rear of the properties known as 5926 and 5928 York Road and no longer needed for public use and providing for a special effective date.

The Baltimore City Parking Authority reviewed the proposed legislation and determined that there would be no negative impact to parking programs in the area as a result of this bill.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 13-0217.
