RE: 715 S. Haven Street

Dear Councilmember Cohen:

Please accept this letter on behalf of Brewers Hill Neighbors in support of the rezoning of the portions of the former railroad beds behind 715 S. Haven Street from the I-2 Zoning District to the R-8 Zoning District. We previously supported the rezoning of the former railroad beds behind 601 S. Haven Street, which was enacted as Ordinance No. 20-351, to accommodate the Developer's plans to redevelop that property with a residential rowhouse development. After meeting with the Developer, we understand he now proposes to incorporate 715 S. Haven Street into his plans to redevelop 601 S. Haven Street. This has our support and we agree that the rezoning of the railroad beds is necessary to accommodate the expanded residential development.

Thank you for your consideration.

Sincerely,
