Ordinance of Estimates may be made available to the appropriate municipal agency for expenditure by a supplementary appropriation

City Council Bill 13-0275 satisfies the requirements of Sec. 8(b) of the Charter and, therefore, is consistent with the authority of the City Council. Sec. 8(c) also requires that a supplementary appropriation ordinance shall provide the revenue necessary to pay the appropriation by a source, other than the full rate property tax. The bill does provide for an appropriate source of the revenue.

Based on the foregoing, the Law Department approves City Council Bill 13-0275 for form and legal sufficiency.

Sincerely yours,
