RE: Council Bill 10 - 0515

PARKING
OF BALTIMORE CITY
AUTHORITY

I am herein reporting on City Council Bill 10 - 0515 introduced by Council President, Bernard C. "Jack" Young at the request of The Administration (The Department of General Services).

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and has no objection to the Mayor and City Council of Baltimore selling, at either public or private sale, all its interest in certain parcels of land known as the former beds of (1) Woodall Street, extending from Fort Avenue southwesterly to Clemm Street, and (2) Clemm Street, extending from Key Highway, southeasterly to the southeasternmost extremity, thereof, and no longer needed for public use; and providing for a special effective date. The Parking Authority has determined that the sale of this property will have no affect on parking in that area.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 10 - 0515.
