SUBJECT: City Council Bill No. 13-0208  
Rezoning – 2600 North Howard Street

---

The Baltimore Development Corporation (BDC) supports City Council Bill 13-0208. If passed, this bill will allow the rezoning of the property located at 2600 North Howard Street from an industrial category of M-2-1 to a B-2-2 category. The rezoning is needed to support redevelopment of the property into a mixed-use development that will include a live theater. Passage of the bill will augment other development efforts in the Remington neighborhood.

The BDC respectfully request that favorable consideration is given by the City Council for Bill No. 13-0208.
