The Honorable President and Members
of the City Council
c/o Karen Randle
Room 400 City Hall

June 2, 2011

I am herein reporting on City Council Bill 11-0697.

The purpose of this bill is to repeal the existing Development Plan for the University of Maryland Baltimore Biomedical Research Park and approve a new Development Plan for this project's Planned Unit Development (PUD).

The Department of Transportation (DOT) has no objections to this bill. This change to the PUD's boundaries and permitted and prohibited uses does not affect traffic mitigation requirements, and the terms of the bill do not directly relate to traffic safety patterns.

Respectfully,
