TO

The Honorable President and Members
of the Baltimore City Council

DATE:

August 31, 2015

The Baltimore City Environmental Control Board (ECB) is pleased to have the opportunity to review Council Bill #15-0558, Animal Fighting Paraphernalia. The purpose of the bill is to prohibit the possession, sale, transfer, or manufacture of animal fighting paraphernalia with the intent to engage, promote, or facilitate an animal fight.

ECB anticipates that the number of citations that will be issued for a violation of the relevant provision will have no significant impact on ECB operations. For this reason the ECB has no objections to the passage of this bill.
