City Hall, Rm. 400

I am herein reporting on City Council Bill #12-0140, Supplementary General Fund Capital Appropriation - Department of Transportation - \$4,200,000, which provide a Supplementary General Fund Capital Appropriation in the amount of \$4,200,000 to the Department of Transportation (Account #9950-901069-5912), to provide funding for additional capital projects; and providing for a special effective date.

The Department of Transportation (DOT) supports this bill. DOT plans to use this extra revenue from the City's automated traffic violation enforcement systems to improve safety at intersections experiencing frequent incidences of accidents, upgrade traffic signal and signage technology, improve access for persons with disabilities to transit centers and other public accommodations, replace safety devices on ramps to I-83, MD 295, and other high-speed roadways, and develop additional bike lanes throughout downtown. DOT respectfully requests that the Committee support this bill.

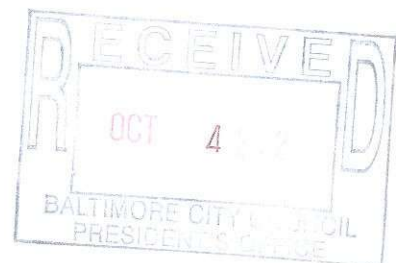

Respectfully,
