RE: City Council Bill No. 14-0303-Floodplain Management Code-Revision

The Baltimore Police Department (BPD) has reviewed City Council Bill No. 14-0303-Floodplain Management Code-Revision. This legislation relates to the protection, maintenance, and enhancement of the public health, safety, and welfare through floodplain management. Because this legislation does not impact BPD operations, we defer to the Department of Law and other City agencies and stand willing to assist in the City's collective efforts in this area.

Thank you for the opportunity to comment on this legislation.
