DATE: February 25, 2020

The Mayor's Office of Public Safety has reviewed City Council Resolution 19-0179R for the purpose of inviting representatives from BGE, the Department of Transportation, the Department of Housing and Community Development, the Baltimore Police Department, the Mayor's Deputy Chief of Staff for Public Safety, the Department of Public Works, the Baltimore City Fire Department, and the Mayor's Office of Emergency Management to discuss protocols and best practices for planned power outages.

As the Deputy Chief of Staff for Public Safety, the Baltimore Police Department, the Baltimore City Fire Department, and the Mayor's Office of Emergency Management fall under my purview. We look forward to participating in discussions with BGE regarding the coordination and dissemination of information about BGE's planned power outages to Baltimore City residents.

The Mayor's Office of Public Safety has no objection to the passage of City Council Resolution 19-0179R.
