RE: ORDINANCE 12-0085

I am herein reporting on City Council Bill 12-0085 introduced by Council President Bernard "Jack" Young at the request of The Administration (Baltimore Development Corporation).

The purpose of this Bill is to add and modify certain definitions; enlarging the boundaries of the development district; adding new 2012 Exhibit A and revising Exhibit 1 to include the additional properties; providing for a special effective date; and making the provisions of this Ordinance severable.

The Baltimore City Parking Authority has reviewed the proposed legislation and determined that there would be no negative impact to parking in this area provided that a sufficient parking structure is included within the enlarged boundaries of the development district.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 12-0085.
