To Whom It May Concern,

At the May 10, 2022 Bayview Community Association meeting, by a vote of hands, association members agreed to support Mr. Jorge Castanera's desire to open a barber shop on the basement floor and two apartments on the upper floors of his property at 466 Hornel Street, Baltimore, MD 21224. None were opposed.

If you have further questions, please contact Bayview Community Association President Cesar Romero at 443-488-3610.

Thank You.
