**Re: City Council Bill 21-0101 – Corrective Bill 2021**

Dear Council President and City Council Members:

You have requested that the Minority and Women’s Business Opportunity Office (MWBOO) review City Council Bill 21-0101 Corrective Bill 2021. This Bill serves the purpose of correcting various errors and omissions in the City Code; specifically, inconsistent, superfluous, vague, ungrammatical, mis-numbered, and other unclear language.

MWBOO has had the opportunity to review the bill. The bill corrects numerous Code provisions that required further clarification. It is of paramount importance that the Code continues to be examined and revised to ensure it is clear and not susceptible to legal challenges. MWBOO fully supports the passage of Council Bill 21-0101.

Regards,
