The Baltimore City Youth Commission (BCYC) has reviewed City Council Bill 12-0021 for the purpose of providing that a youth is not qualified for appointment to a term as a voting member of the Youth Commission if that youth would become 26 years old during that term.

As the commission charged to envision a brighter future that effectively produces positive social, economic, and political change for youth of Baltimore City, The Baltimore City Youth Commission supports Council Bill 12-0021.
