**Amendment No. 2**

**ADOPTED**

On page 2, after line 13, insert:

“AND BE IT FURTHER RESOLVED, That the City Council makes the following recommendations to improve future outcomes:

**Recommendations**

1. Involve City agencies, 311, and CitiStat in collaboratively updating CitiStat’s existing program to establish realistic 311 follow-up deadlines for ALL major SR-listed complaints and a schedule of timely, consistent, and “collaborative” Agency oversight meetings for the balance of this fiscal year and the future;
2. Determine when the “Budget Outcome” add-ons will be initiated and how staffed/conducted, ensuring that such add-ons will not diminish the SR accountability crucial to the Agency/311/CitiStat partnership;
3. Ensure access and transparency for the public through resumption of CitiStat reports in this quarter;
4. Initiate CitiStat public postings on the status of priority categories of SR requests; and,
5. Require that the CitiStat director devote his full time and attention to directing these efforts and addressing these concerns.”.
