The Baltimore City Health Department (BCHD) is pleased to have the opportunity to review Council Bill 14-0378 Zoning - Conditional Use - Amending Ordinance 13-176 FOR the purpose of amending Ordinance 13-176 to amend the site plan attached to and made part of that Ordinance, which permitted the establishment, maintenance, and operation of housing for the elderly on the property known as 1600 North Chester Street (Block 1469, Lots 11-22, 24-31A, and 67-75); permitting modification of the site plan by approval of the Planning Commission; and modifying the variance granted by Ordinance 13-176 for a certain yard setback requirement.

BCHD's primary mission is to promote a healthy Baltimore City by advocating, leading, and providing services of the highest quality in order to promote and protect the health of the residents of Baltimore. We have reviewed this bill and we do not believe that this conditional use will impact the health of Baltimore City. Therefore, BCHD has no objections to this bill.
