BACKGROUND

The \$3,425,454 appropriated for this Bill represents the deficit within the Sheriff’s Office, which was primarily caused by overtime, fleet costs, and various contractual and supply spending. The Fiscal Year 2025 General Fund budget-to-actuals for the Sheriff’s Office is listed below: ⁱ

Agency & Service	FY 2025 Budget	FY 2025 Actual	FY 2025 Surplus/Deficit
Sheriff	26,463,851	29,889,305	(3,425,455)

SRV0889 Child Support Enforcement	2,048,302	3,518,624	(1,470,322)

Additional appropriations are permitted for a material change in circumstances, or additional appropriations for new programs that could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates per the City Charter Article VI, §8(b)(2)(iii). Each additional appropriation requires a separate ordinance limited to a single program, purpose, activity or project.ⁱⁱ

When reviewing the last supplementary appropriations, the Sheriff's Office received an appropriation to their budget as seen below:

- Fiscal Year 2024 - Council Bill 25-0033, General Fund Operating Appropriation Transfer – M-R Debt Service (Service 123 - General Debt Service) to Office of the Sheriff (Service 882 - Deputy Sheriff Enforcement) – \$4,564,341

ADDITIONAL INFORMATION

Fiscal Note:

Council Bill 25-0112 - Supplementary General Fund Operating Appropriation – Sheriff's Office – \$3,425,454 will provide the necessary funding to address the FY 2025 deficit for the Sheriff's Office. The Department of Finance reports that the appropriation is funded through the Assigned Fund Balance, which will be replenished with surplus revenue and expenditures when the Fiscal Year 2025 closeout process is complete. Once accounting for supplementary appropriations, the City anticipates a \$13.1 million surplus for end of Fiscal Year 2025 (based on preliminary and unaudited figures).ⁱⁱⁱ

DATE	October 30 th , 2025
SUBJECT	City Council Bills 25-0105, 25-0106, 25-0107, 25-0108, 25-0109, 25-0110, 25-0112, 25-0113

The Honorable President and
Members of the City Council
City Hall, Room 400

Position: Support

The Department of Finance is herein reporting on City Council Bills 25-0105, 25-0106, 25-0107, 25-0108, 25-0109, 25-0110, 25-0112, 25-0113, for the purpose of providing funding to balance Fiscal Year 2025 budget for a deficit caused by overtime and unbudgeted contractual costs; and providing for a special effective date.

Background

The City Charter requires that each City agency end the year within budget. The Department of Finance recommends appropriation transfers and supplemental appropriations when an agency has ended the fiscal year with a General Fund deficit. The actions proposed in this item are funded through the combination of surplus revenue and surpluses in individual agency budgets. This action seeks to appropriate \$112,974,144 to various City agencies that ended Fiscal 2025 in deficit. Based on preliminary and unaudited figures, the City is anticipated to end Fiscal 2025 with a \$13.1 million surplus.

Fiscal Impact

- Fire Department: \$38,520,093
 - Deficit caused by overtime, staffing costs, and contractual EMS services
- Law Department: \$81,393
 - Deficit caused by contractual spending
- Liquor License Board: \$454,415
 - Deficit caused by office lease costs, use of privately leased vehicles, and overtime
- MR-Baltimore City Public Schools: \$12,911,344
 - Deficit caused by City contribution to development agreement for City Spring Elementary/Middle School
- Police: \$47,492,889
 - The projected deficit has increased by \$16.5 million due to costs from the police union (FOP) contract approved in January, with additional shortfalls driven by overtime expenses, fleet costs, and outstanding invoices from prior years.
- Recreation and Parks: \$5,630,976
 - Deficit caused by park and facility maintenance costs
- Sheriff: \$3,425,454

- Deficit driven by overtime spending exceeding budget, unbudgeted upfitting of vehicles not programmed for 2025 replacement
- Transportation: \$4,457,580
 - Deficit caused by winter storm costs.

Conclusion

The proposed supplemental appropriation reflects the City's need to end the year with a balanced budget. The largest shortfalls occurred in the Fire and Police departments, primarily due to personnel and overtime costs, as well as increased obligations under the new police union contract. Other agency deficits were driven by facility costs, vehicle maintenance, and one-time contractual commitments.

By reallocating surplus revenues and underspending from other agencies, the City can close these year-end deficits without jeopardizing overall fiscal stability. With a projected citywide surplus of \$13.1 million, these actions ensure compliance with the Charter's balanced budget requirement and sustain essential public services while preserving the City's financial health.

These actions will be funded through Assigned Fund Balance that included a set aside for subsequent budget year actions. That assignment will be replenished with surplus revenue and expenditures when the Fiscal 2025 closeout process is complete.

For the reasons stated above, the Department of Finance supports City Council Bill 25-0105, 25-0106, 25-0107, 25-0108, 25-0109, 25-0110, 25-0112, 25-0113.

Re: City Council Bill 25-0112 – Supplementary General Fund Operating Appropriation – Sheriff's Office – \$3,425,454

Dear President and City Council Members:

The Law Department reviewed City Council Bill 25-0112 for form and legal sufficiency. The bill provides a Supplementary General Fund Operating Appropriation in the amount of \$3,425,454 to the Sheriff's Office – Service 882 (Deputy Sheriff Enforcement), to provide funding to balance the Sheriff's Office's budget for Fiscal Year 2025 for a deficit caused by overtime, fleet costs, and various contractual and supply spending. The money for this supplementary appropriation is excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2025. The bill would take effect on its date of enactment.

Section 8(b)(2)(iii) of Article VI of the City Charter permits a supplementary appropriation when there has been "a material change in circumstances, or additional appropriations for new programs that could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates" for the fiscal year. The supplementary appropriation must be recommended by the Board of Estimates and approved by the Mayor and City Council via an ordinance. The ordinance must identify the source of the funds and may only involve a "single program, purpose, activity or project." City Charter, Art. VI, § 8(c). Since it meets these requirements, the Law Department approves this bill for form and legal sufficiency.

Very truly yours,
