Re: City Council Bill 17-0127 – City Streets – Opening – Portion of a 10 Foot
Alley Lying Between North Milton Avenue and Rose Street

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 17-0127 for form and legal sufficiency. The bill would allow the City to condemn and open a portion of a 10-foot alley lying between North Milton Avenue and Rose Street that it no longer needs.

Section (34) of Article II of the City Charter grants the Mayor and City Council the power to “construct, open, extend, widen, straighten or close streets, bridges, tunnels or approaches to them and other public ways of every kind within the bounds of the City.” Section 116(b)(2) of Article VII of the City Charter requires the Department of Transportation to prepare all ordinances for the opening and closing of streets.

As this bill meets with the applicable sections of the Charter, the Law Department approves it for form and legal sufficiency.

Very truly yours,
