The Department of Legislative Reference is one of a number of agencies to which Bill 09-272 has been referred for review and comment. The bill proposes to “establis[h] a Sustainability Plan for the City of Baltimore”.

Our Department assisted in formatting the bill for introduction. We did not and do not, however, take any policy position with regard to the substance of the bill. Accordingly, we defer to the City Council and to the other agencies who will be commenting on the bill.
