RE: City Council Bill 08-0117

I am herein reporting on City Council Bill 08-0117 introduced by City Council President Stephanie Rawlings-Blake at the request of The Administration (Department of Housing and Community Development) for the purpose of amending the Urban Renewal Plan for Key Highway to amend certain development area controls for Development Area A; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and supports the Bill. The changes requested will not affect any off street parking/on street parking established by the Parking Authority of Baltimore City.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0117.
