DATE: November 1, 2013

TO

The Honorable President and
Members of the City Council
Room 400, City Hall

Attention: Ms. Karen Randle

City Council bill 13-0281 has been introduced for the purpose of providing a supplementary State Fund appropriation in the amount of \$200,000 to the Department of Recreation and Parks – Service 654 (Urban Forestry).

The source of this supplemental appropriation is a State grant from the Maryland Department of Natural Resources through the Students Restoring Urban Streams Initiative. The Department of Recreation and Parks has indicated they will utilize these funds to create a new system-wide process that merges existing Maryland Service-Learning standards with new Environmental Literacy standards.

The Department of Finance supports this legislation.
