BACKGROUND/HISTORY

General Obligation Bonds (GO Bonds) are a critical component of the City's capital improvement program and provide needed funds for housing and neighborhood revitalization, schools economic development, improvements to City parks and recreation centers, and other government facilities as well as for key City institutions and cultural attractions.

In 1990, the Board of Finance adopted a debt policy authorizing the City to issue new debt for capital projects up to a level of \$60,000,000 per year, beginning in FY 1996. In the 2004 general election, voters approved GO Bonds totaling \$120,000,000 for Fiscal Years 2006 and 2007. In the 2006 general election, voters again approved GO Bonds totaling \$120,000,000 for Fiscal Years 2008 and 2009.

CONFORMITY TO PLANS

The proposed FY 2010 and FY 2011 Bond Program conforms to the GO Bond targets set by the Department of Finance of \$65,000,000 in FY 2010 and \$60,000,000 in FY 2011. All recommended projects are supported by the City's Comprehensive Master Plan.
