Re: City Council Bill 08-0138– Baltimore City Landmark List – Saint Paul
Community Baptist Church

The Department of Housing and Community Development has reviewed City Council Bill 08-0138, which was introduced for the purpose of designating the Saint Paul Community Baptist Church, 1901 East Federal Street, as a historical landmark.

This church was constructed in 1894 and has been home to four different congregations over the course of its history. Originally constructed by a Lutheran congregation, the building also served later as the City's first Mormon church as well.

The Department of Housing and Community Development supports adoption of City Council Bill 08-0138.
