TO

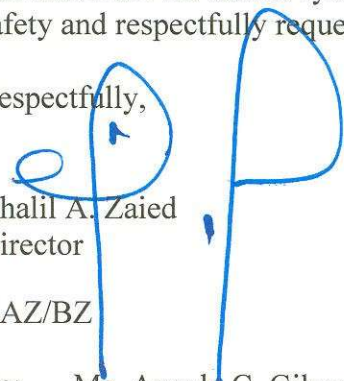

The Honorable President and Members  
of the City Council  
c/o Karen Randle  
Room 400 City Hall

December 28, 2012

I am herein reporting on City Council Bill #12-0164. This bill, Transit and Traffic - Speed and Red-Light Camera Monitoring Systems - Violations by School Vehicles requires certain periodic reports on all citations issued to school vehicles under speed and red-light camera monitoring systems; defines certain terms; and generally relates to violations by school vehicles of camera monitoring systems.

The Department of Transportation (DOT) supports this bill, which requires it to issue quarterly reports of citations issued to school buses. The Department would just require a list of tag numbers of the applicable vehicles from the school system. DOT appreciates the bill's intent of monitoring children's transportation safety and respectfully requests that the Committee grant this a favorable report.

Respectfully,

  
Khalil A. Zaied  
Director
