Re: **City Council Bill 08-0215 Planned Unit Development - Westport  
Waterfront (Corrective)**

---

The Department of Housing and Community Development has reviewed City Council Bill 08-0215, which was introduced for the purpose of amending Ordinance 07-609 to include parcel height limits that were previously approved and referenced on an unpublished exhibit but that were inadvertently omitted from the published text of the Ordinance.

The proposed legislation would amend Ordinance 07-609 to include parcel height limits that were unintentionally left out of the original text of the law that established the Westport Waterfront Planned Unit Development (PUD). These height restrictions had been recommended by the Planning Commission and were referenced on an unpublished exhibit of the original PUD bill.

The Department of Housing and Community Development supports the adoption of City Council Bill 08-0215.
