**TO**

DATE:

The Honorable President and Members  
of the Baltimore City Council

January 27, 2016

The Baltimore City Environmental Control Board (ECB) is pleased to have the opportunity to review Council Bill #16-0617, Sugar-Sweetened Beverages. The purpose of the bill is to require that certain advertisers of sugar-sweetened beverages include a certain health warning associated with the beverages.

ECB anticipates that the number of citations that will be issued for a violation of the relevant provision will have no significant impact on ECB operations. For this reason ECB has no objections to the passage of this bill.
