RE: City Council Bill No. 13-0194-Ticket Agencies-Temporary Modifications

The Baltimore Police Department (BPD) has reviewed City Council Bill No. 13-0194-Ticket Agencies-Temporary Modifications. The proposed legislation would temporarily modify several provisions of the Code relating to service charges on the sale of tickets for admission to certain events.

According to the February 11, 2013 Law Department the purpose of this temporary change is to allow the Mayor and City Council to revisit the City's licensing and to make appropriate revisions as necessary. The BPD stands willing to work with the Council to assist in the City's collective efforts in this area. Thank you for the opportunity to comment on this legislation.
