	SUBJECT	CITY COUNCIL BILL #12-0130 /BALTIMORE CITY LANDMARK LIST - Old Town National Bank Building		

TO

DATE: October 5, 2012

The Honorable President and  
 Members of the City Council  
 City Hall, Room 400  
 100 North Holliday Street

At its regular meeting of October 4, 2012, the Planning Commission considered City Council Bill #12-0130, for the purpose of designating Old Town National Bank Building, as a historical landmark.

In its consideration of this Bill, the Planning Commission reviewed the attached agenda, summary and previous staff report which recommended approval of City Council Bill #12-0130 and adopted the following resolution, nine members being present (nine in favor).

RESOLVED, That the Planning Commission concurs with the recommendation of its departmental staff, and recommends that City Council Bill #12-0130 be passed by the City Council.

If you have any questions, please contact Mr. Wolde Ararsa, Division Chief, Land Use and Urban Design Division at 410-396-4488.

## PLANNING COMMISSION

### SUMMARY

October 4, 2012

Thomas J. Stosur  
Director

1. ROLL CALL
2. APPROVAL OF MINUTES
3. MINOR AMENDMENT AND FINAL DESIGN APPROVAL/ MONTGOMERY PARK BUSINESS CENTER PUD – 7-ELEVEN STORE AND GAS STATION – 1769 WASHINGTON BOULEVARD (Tenth District)

*(Postponed to October 18, 2012)*

4. CITY COUNCIL BILL #12-0123/ BUILDING, FIRE, AND RELATED CODES – 2012 EDITION (City Council President – Administration)

For the purpose of adopting a revised Building, Fire, and Related Codes Article, comprising the Maryland Building Performance Standards (effective January 1, 2012), the International Building Code (2012 Edition), the International Electrical Code (2011 Edition), the International Fuel Gas Code (2012 Edition), the International Mechanical Code (2012 Edition), the International Plumbing Code (2012 Edition), the International Property Maintenance Code (2012 Edition), the International Fire Code (2012 Edition), the International Energy Conservation Code (2012 Edition), and the International Residential Code for One- and Two-Family Dwellings (2012 Edition), all as supplemented, amended, or otherwise modified by this Ordinance; providing for the effect, construction, and effective date of these new standards and codes; conforming, correcting, and clarifying certain language; and generally relating to the adoption of new building, fire, property maintenance, electrical, plumbing, mechanical, and related codes for Baltimore City. (Citywide)

Periodic Update: A new version of the International Building Code (IBC) is written and released every three years. The update is then adopted into State law under the Maryland Building Performance Standards (MBPS). As most recently made effective, dated January 1, 2012, these Standards consist of three parts: the 2012 IBC, the 2012 International Residential Code for One- and Two-Family Dwellings, and the 2012 International Energy Conservation Code. After adoption at the State level with their modifications, local jurisdictions may then adopt the same Standards – either in whole or in parts, and with local modifications.

**Recommendation:** Approval

5. CITY COUNCIL BILL #12-0108/ REZONING – 1101 NORTH PATTERSON PARK AVENUE (Councilmember – Warren Branch)

For the purpose of changing the zoning for the property known as 1101 North Patterson

Park Avenue, as outlined in red on the accompanying plat, from the R-8 Zoning District to the B-2-2 Zoning District. (Thirteenth District)

This bill would rezone an end-of-row building at the northeast corner of Patterson Park Avenue and Chase Street from residential to commercial. The bill was requested by a private club which desires to use the building; although their use would be allowed in the R-8 zone, the property has insufficient lot area to qualify for the purpose. The proposed B-2 zoning would effectively remove the lot area requirement now applying to the property. Because there have not been sufficient changes in the block or the neighborhood that rise to the level required by Article 66-B of the Maryland Code, and as there is no evidence that the original 1971 zoning of this property was a mistake, staff recommends disapproval of this bill.

Staff notified the Middle East Truth and Reconciliation Community Council, HEBCAC, EBDI, the property owner, and the Councilman of this action.

**Recommendation:** Disapproval

**6. CITY COUNCIL BILL #12-0118/ REZONING – 2719 ASHLAND AVENUE**  
(Councilmember – Warren Branch)

For the purpose of changing the zoning for the property known as 2719 Ashland Avenue, as outlined in red on the accompanying plat, from the R-8 Zoning District to the B-1-1 Zoning District. (Thirteenth District)

*(Postponed to October 18, 2012)*

### STAFF REPORT

*Thomas J. Stosur*  
Director

**August 9, 2012**

**REQUEST:** Baltimore City Landmark Designation/Old Town National Bank – 221 N. Gay Street

**RECOMMENDATION:** Approval

**STAFF:** Melvin Hicks

**PETITIONER(s):** Commission for Historical and Architectural Preservation (CHAP)

**OWNER:** Mr. Nicholas Piscatelli

**SITE/ GENERAL AREA:**

Site Conditions: This site is currently improved with a seven story stone-faced Beaux Arts building. The building has been converted into a hotel and zoned M-2-3.

General Area: This property is located in the Jonestown neighborhood, located at the southeastern corner of N. Gay Street and Fallsway in the Old Town neighborhood, just north of the Central Business District.

**HISTORY**

There are no previous legislative or Planning Commission actions regarding this site.

**CONFORMITY TO PLANS**

This action is consistent with the City of Baltimore's Comprehensive Master Plan, with respect to protecting and enhancing the preservation of Baltimore's historic buildings.

PLAY 1 Goal 1: Enhance the Enjoyment, Appreciation, and Stewardship of Baltimore's Historical and Cultural Resources

LIVE Objective 4: Protect and Enhance the Preservation of Baltimore's Historic Buildings and Neighborhoods

**ANALYSIS**

This is the second public hearing for this structure as part the Baltimore City Landmark Designation process. The first hearing occurred July 10, 2012, when the CHAP Commission reviewed this request and recommended approval of Landmark designation for the Old Town National Bank located at 221 N. Gay Street. After the Planning

Commission recommends approval of landmark designation, the request will be sent to City Council to secure legislation for the official landmark designation.

The Old Town National Bank is an excellent example of an early 20th century commercial structure in Baltimore. The bank occupied the basement, first and second floors of the building, and the other four floors were rented as office space. When it was constructed, this building was considered such an improvement to Old Town that it was hoped that the building would stimulate further development. After almost 70 years as an independent bank, the building eventually became used exclusively for office space in the late 1970s.

The building was vacant from 2004 until 2007, when it was purchased by a developer, Old Town Properties, LLC and converted into a Holiday Inn Express. The owner, Old Town Properties LLC and architects Kann Partners received the 2010 Adaptive Reuse and Compatible Design award from Baltimore Heritage, Inc. for the sensitive rehabilitation and reuse of the building. The building has recently been known as the "UTZ Building" because a large neon sign depicting the Little Utz Girl and the words "Snack On" was mounted on the roof of the building for over a decade from the late 1990s until 2010. The sign was removed and re-installed in Philadelphia after the building was converted into a hotel.

This seven-story commercial building was constructed in the Beaux Arts style and faced with rusticated limestone block by Frederic A. Fletcher. The building served one of the oldest banking houses in the city. The bank's history is intrinsically tied to the Old Town neighborhood, and was the finest and largest building when it was constructed in Old Town in 1925.

The Old Town National Bank meets CHAP Landmark Designation Standards:

B. A Baltimore City Landmark may be a site, structure, landscape, building (or portion thereof), place, work of art, or other object which:

1. is associated with events that have made significant contributions to the broad patterns of Baltimore history
3. Embodies the distinctive characteristics of a type, period, or method of construction, or that represents the work of a master, or that possesses high artistic values, or that represent a significant and distinguishable entity whose components may lack individual distinction.

*The structure is an excellent example of an early 20<sup>th</sup> century commercial structure in Baltimore. Designed in the Beaux Arts style by Frederic A. Fletcher, the building served one of the oldest banking houses in the city. The bank's history is intrinsically tied to the Old Town neighborhood, and was the finest and largest building when it was constructed in Old Town in 1925.*

Staff has notified the following of this action: Jonestown Planning Council, Inc., Historic Jonestown Business Association, Baltimore Heritage, Baltimore AIA Chapter, Baltimore City Historical Society, Preservation Maryland, Downtown Partnership, Property Owner, and City Council Representative.
