

SB-24-13757 - FY25 Budget Supplemental for Grant Award - Maryland Office of Overdose Response (MOOR) Grant

AGC4500 - M-R Office of Employment Development

ACTION REQUESTED:

The Board is requested to approve a Grant Agreement from the State of Maryland Department of Health. Period of agreement is: 7/1/2024 to 6/30/2025

AMOUNT AND SOURCE OF FUNDS:

Transaction Amount: \$ 206,822.00

Project Fund	Amount
5000-GRT002418-CCA001206	\$ 206,822.00

BACKGROUND/EXPLANATION:

This submission is looking to add the supplemental appropriation to the FY25 Adopted Budget for the Maryland Office of Overdose Response (MOOR) Grant. The award was not anticipated during the planning period and hence not appropriated in the FY25 budget.

Funding from the Maryland Office of Overdose Response (MOOR) Grant would allow MOED to better define how the job developer engages with the larger MOED business services team and to determine how we might best absorb this role into our WIOA funding while continuing to specialize in serving people in recovery and educating businesses on the RFW (Recovery-Friendly Workplaces).
