of the City Council

Room 400 City Hall

November 16, 2012

I am herein reporting on City Council Bill #12-0147. This bill, Urban Renewal - Caton/95 – Amendment, amends the Urban Renewal Plan for Caton/95 to amend certain exhibits to reflect the change of zoning, upon approval by separate ordinance, for the property known as 3224-3226 Washington Boulevard; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

3224-3226 Washington Boulevard is located at the southwest Baltimore City limits, and occupies approximately three-quarters of the triangle formed by intersections of Washington Boulevard, Caton Avenue, and Patapsco Avenue. This bill will help bring more fruitful use to these properties. The Department of Transportation has no objections to this bill and respectfully requests it be granted a favorable vote.

Respectfully,
