The Honorable President and
 Members of the City Council
 City Hall, Room 400

November 17, 2010

The Department of Planning has received City Council Bill #10-0620 for review. This legislation is “For the purpose of clarifying the legal responsibilities of the Departments of Public Works and Transportation for the review of plot plans for parking lots.”

This bill is a corrective action, amending references in the subtitle from the Department of Public Works, to the Department of Transportation, as they are the correct agency performing such reviews. For this reason, the Department of Planning recommends the passage of City Council Bill #10-0620.

If you have any questions, please contact Mr. Eric Tiso of the Land Use and Urban Design Division at 410-396-8358.
