RE: ORDINANCE 11-0697

I am herein reporting on City Council Bill 11-0697 introduced by Councilmember's Welch, Stokes, Cole, Middleton, Conway, Kraft, Holton, Branch, Spector, Reisinger at the request of University of Maryland Baltimore and UMB Health Sciences Research Park Corporation.

The Baltimore City Parking Authority, Inc. has reviewed the Bill repealing the existing Development Plan for the UMD Biomedical Research Park; and approving a new Development Plan for the University of Maryland BioPark Planned Unit Development; and providing for a special effective date.

It has been determined there would be no negative impact to the parking in the area as a direct result of this Bill. The Parking Authority would be readily available to discuss with the UMD Biomedical Research Park developer any parking activity associated with the new Development Plan.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 11-0697.
