RE: Council Bill 16-0622

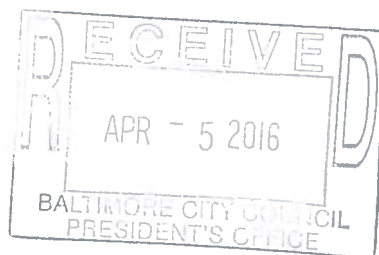

**PARKING**  
OF BALTIMORE CITY  
**AUTHORITY**

I am herein reporting on City Council Bill 16-0622 introduced by the Council President at the request of the Administration (Department of Housing and Community Development).

The purpose of this bill is to repeal Ordinance 02-299, which designated certain properties as a Residential Planned Unit Development known as Flag House Court Hope VI; and providing for a special effective date.

The repeal of the PUD would not negatively impact parking in the area because the majority of the development has been completed and the remaining parcels are subject to the parking requirements prescribed by the Zoning Code.

Based on the comments above, the Parking Authority of Baltimore City does not oppose the passage of City Council Bill 16-0622.

*Not opposed*
