FROM: M. J. Brodie, President 

DATE: June 27, 2008

SUBJECT: City Council Bill No. 08-0139
Urban Renewal – Inner Harbor Project I-A – Amendment_

The Baltimore Development Corporation is pleased to support City Council Bill 08-0139. The purpose of this bill is to amend the Urban Renewal Plan for Inner Harbor Project I-A with respect to the height restrictions for certain property within the project area; waiving certain content and procedural requirements; making the provisions of this Ordinance severable; providing for the application of this Ordinance in conjunction with certain other ordinances; and providing for a special effective date.

This Amendment will allow for the redevelopment of the property, known as 100 East Montgomery Street, in a manner consistent with the goals and objectives set forth in the Inner Harbor Project I-A Urban Renewal Plan. Specifically, this bill will allow for the property to accommodate a new corporate headquarters for Milestone Hospitality International. This bill supports BDC's mission to attract new businesses, support job creation, and expand the tax base of the City.
