The Honorable President and  
Members of the City Council  
Room 400, City Hall

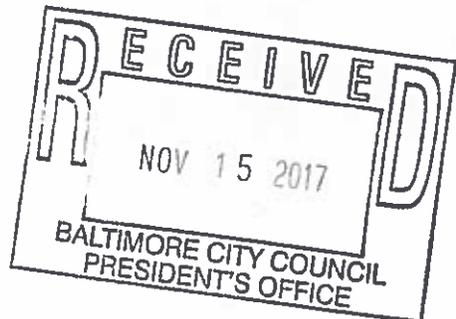

November 9, 2017

City Council Bill #17-0141 was created for the purpose of authorizing the Mayor and City Council of Baltimore to surrender all interests in an 18-foot-wide right-of-way shown on Plat 7 RW 20-36417 in the Office of the Department of Transportation, because it is no longer needed for public use; and providing for a special effective date.

This right-of-way surrender is necessary to enable the development of a mixed-use building at 1517 Eutaw Place.

This property is no longer needed for public use, there are no objections from other relevant City agencies, and there is not a significant fiscal impact from surrendering interest in this property. Therefore, the Department of Finance has no objection to the passage of Council Bill 17-0141.
