

MEMORANDUM

To: Nick J. Mosby, President, Baltimore City Council

From: Peter Little, Executive Director

Date: February 21, 2023

Subject: City Council Bill 23-0346

I am herein reporting on City Council Bill 23-0346, introduced by Councilmember Costello.

The purpose of this bill is to modify the hours of applicable parking restrictions for Residential Parking Plan Area 48 (Riverside); reduce the non-permit parking time threshold; establish an exception to the applicable permit limit; and correct and conform related provisions.

The Parking Authority of Baltimore City (PABC) has reviewed the proposed legislation and discussed the intent of the bill with both the Councilmember and the RPP Advisory Board Member for RPP Area 48. Prior to this legislation's introduction, the Councilmember's Office and the RPP Advisory Board Member have engaged with and received support on this initiative from the local residents.

As this is a community-based program and this legislation has community support, the PABC does not oppose the passage of City Council Bill 23-0346.
