RE: City Council Bill 08-0239

I am herein reporting on City Council Bill 08-0239 introduced by Council President Stephanie Rawlings-Blake at the request of The Administration (Department of Public Works).

For the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former beds of (1) a 10-foot alley laid out in the rear of the properties formerly known as Nos. 2203 through 2227 North Howard Street and (2) a 10-foot alley laid out contiguous to the north outline of the property formerly known as No. 2214 Mace Street and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority, Inc. reviewed the proposed legislation and has determined that there would be no negative fiscal or operational impacts to any administered parking programs for on-street parking activity and/or City-owned off-street parking facilities as a result of the sale of this property.

Based on the above comments, the Baltimore City Parking Authority, Inc. supports the passage of City Council Bill 08-0239.
