Re: City Council Bill 12-0107 – Rezoning – 235-239 North Gay Street

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 12-0107 for form and legal sufficiency. The bill would change the zoning for 235-239 North Gay Street from the M-2-3 Zoning District to the B-2-3 Zoning District.

The City Council may permit such a rezoning if it finds facts sufficient to show either a mistake in the existing zoning classification or a substantial change in the character of the neighborhood. Md. Code, Art. 66B, §2.05(a)(2)(i). In evaluating whether the proposed rezoning meets this standard, the City Council is required to make findings of fact on the following matters: (1) population changes; (2) the availability of public facilities; (3) the present and future transportation patterns; (4) the compatibility with existing and proposed development; (5) the recommendations of the Planning Commission and the Board of Municipal Zoning Appeal; and (6) the relation of the proposed amendment to the City's plan. Md. Code, Art. 66B, §2.05(a)(2)(ii). The recommendations of the Planning Commission and the Board of Municipal Zoning Appeal must be based on certain considerations outlined in the City Code. *See* Baltimore City Zoning Code, §16-305.

The Law Department notes that the Report of the Planning Commission ("Report") provides findings of fact that would support this rezoning. If the City Council, after its investigation of the facts, agrees that a substantial change in the character of the neighborhood has occurred and that facts identical or similar to those described in the Report apply, the Council may lawfully approve Council Bill 12-0107.

Certain procedural requirements apply to this bill beyond those listed above. Specifically, special notice requirements apply to the bill's introduction. *See* City Zoning Code ("ZG") § 16-203. The bill must be referred to certain City agencies, which are obligated to review the bill in a specified manner. *See* ZG §§ 16-301, 16-302 & 16-305. Additional public notice and hearing requirements apply. *See* ZG § 16-402. Finally, certain limitations on the City Council's ability to amend the bill apply. *See* ZG §§ 16-403, 16-404.

F/Comments

If the City Council agrees with the facts contained in the Report or finds similar supporting facts during its investigation of the bill, the Law Department will approve the bill for form and legal sufficiency, assuming all the procedural requirements, noted above, have been met.

Very truly yours,
