Re: City Council Bill 24-0606 – Supplementary General Fund Operating Appropriation –
Department of Public Works – \$6,000,000

Dear President and City Council Members:

The Law Department reviewed City Council Bill 24-0606 for form and legal sufficiency. The bill provides a Supplementary General Fund Operating Appropriation in the amount of \$6,000,000 to the Department of Public Works – Service 663 (Waste Removal & Recycling), to provide funding for solid waste staffing support. The money for this supplementary appropriation is excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2025. The bill would take effect on its date of enactment.

City Charter Art. VI, § 8(b)(2)(iii) permits a supplementary appropriation when there has been “a material change in circumstances, or additional appropriations for new programs that could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates” for the fiscal year. The supplementary appropriation must be recommended by the Board of Estimates and approved by the Mayor and City Council via an ordinance. The ordinance must identify the source of the funds and may only involve a “single program, purpose, activity or project.” City Charter, Art. VI, § 8(c). The Law Department approves this bill for form and legal sufficiency.

Very truly yours,
