**TO**

DATE: August 28, 2008

The Honorable President and Members  
of the Baltimore City Council  
c/o Karen Randle  
Room 400 City Hall

I am herein reporting on City Council Bill No. 08-0133.

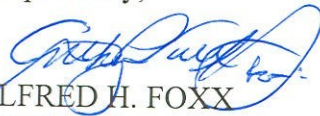

**Zoning – Conditional Use Nonprofit Home and Transitional Housing Facility for the Care and Custody of Homeless Persons – 1801 Falls Road**

**For the purpose of permitting, subject to certain conditions, the establishment, maintenance, and operation of a nonprofit home and transitional housing facility for the care and custody of homeless persons on the property known as 1801 Falls Road, as outlined in red on the accompanying plat.**

This bill would allow Project Place, a provider of shelter for the homeless, currently located in three separate buildings, to consolidate its operations into one large building. The facility has a parking lot that can accommodate 30 vehicles. The Planning Department has recommended that the client capacity be capped at 85 residents and that 24 hour supervision be provided.

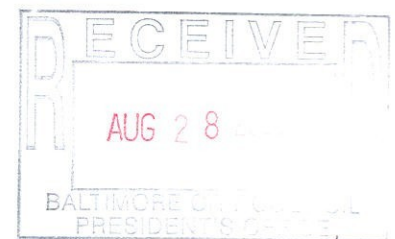

The Department of Transportation has no objections to this bill, as to the amendments, we defer to the Department of Planning.

Respectfully,

  
ALFRED H. FOXX  
DIRECTOR
