TO

The Honorable President and
Members of the City Council
City Hall, Room 400

January 26, 2022

Position: Does Not Oppose

City Council Bill 21-0124, Corrective Bill 2021 – Definitions; Rules of Interpretation; Time Computations, seeks to repeal the many definitions and rules of statutory interpretation and time computation that have been superseded by the enactment of Code-wide, standardized definitions and rules; clarify certain purposeful variations; and provide for a special effective date.

The Department of Finance has reviewed the proposed changes in City Council Bill 21-0124 and does not oppose this legislation.
