

## **Children and Youth Fund Taskforce Values**

- *Our work* is informed, driven and led by youth voices, and
- *Our work* both advances equity and is welcoming and supporting of all races, classes and gender identities, and
- *Our work* is accountable and has impact to local communities, neighborhoods and places where young people connect, and
- Our work is not politically-driven and promotes confidence from the caring networks of Baltimore's Young people, and
- *Our work* inspires new partnerships and new approaches to philanthropy to advance Baltimore's young people, and
- *Our work* is focused, expedient, and conducted with urgency.
