TO The Honorable President and
Members of the City Council
City Hall, Room 400
100 North Holliday Street

DATE: May 5, 2022

The Department of Planning is in receipt of City Council Bill #22-0216, which is for the purpose of authorizing the Mayor and City Council of Baltimore to grant a Perpetual Easement to the Maryland State Highway Administration for the installation and maintenance of a traffic control device, sidewalk, and median in the vicinity of the intersection of MD 1 (Eastern Avenue) and the entrance to East Point Mall, Baltimore County, Maryland, as shown on Plat 59795 filed in the State Highway Administration State Roads Commission; and providing for a special effective date.

The Department of Planning has **no objection** to City Council Bill #22-0216, and defers to the Department of Transportation as the more directly affected agency. This site is located in Baltimore County, at one of the entrances to Eastpoint Mall, and this action will grant the State Highway Administration an easement crossing over City infrastructure to support their traffic signals.
